

Mobile Data Deployment Strategies 2004-2010

Including detailed Operator Go-To-Market
Strategies and Case Studies

www.portioresearch.com

Executive Summary	9
Definitions of Available Services	14
Service Categories	14
Extent of Deployments and Service Take-up of Mobile Data Services: 2004	17
Market Size and Penetration Level for Service Categories	17
Introduction	17
Messaging Applications	19
Mobile Entertainment Services	23
Mobile Office Applications	27
LBS	29
M-commerce	30
Bundled Data Services	31
WAP	35
3G	36
Worldwide Summary of Mobile Data Deployments and Usage	38
Market Trends and Consumer Preferences	39
Trends in the Consumer Mobile Data Market	39
Messaging Applications	39
Mobile Entertainment Services	42
LBS	48
Trends in the Enterprise Mobile Data Market	49
Mobile Office Applications	51
Trends in Mobile Content and Application Development	55
Demographic Analysis	55
Applications	57
Devices and Platforms	60
Advertising Channel	65
Revenue Sharing	67
Trends in Data Tariffs, Pricing and Billing	69
Common Pricing Methods/Models for Mobile Data	69
SMS Pricing Comparisons	73
MMS Pricing Comparisons	74
Differences in Prepaid and Contract Tariff Plans	76
Charging Structures	79
Consumer Behaviour	80
Present Status of Mobile Data Services	80
Preferred Services in the Future	83
Operator Go-to-Market Strategies	96
Services Offered by Key Network Operators	96
Vodafone Group PLC	96
NTT DoCoMo	98
China Mobile (Hong Kong) Limited	101
Cingular Wireless	103
Verizon Wireless	105
T-Mobile International	106
mmO2	108
Orange SA	110
Sprint PCS	112
América Móvil	114
Telefónica Móviles	116
TIM	118
Business and Revenue Models	121
Value Chain	126
Future Outlook	127

Vodafone	128
Group Strategy	128
Product and Services Strategy	128
Current Business Model	131
Segmentation Strategy	133
Go-to-Market Strategy	135
Future Outlook	140
T-Mobile International.....	142
Group Strategy	142
Current Business Model	142
Segmentation Strategy	144
Data Services Strategy	145
Go-to-Market Strategy	146
Cingular Wireless	148
Group Strategy	148
Current Business Model	149
Data Services Strategy	150
Go-to-Market Strategy	152
SK Telecom	153
Group Strategy	153
Current Business Model	154
Data Services Strategy	156
Go-to-Market Strategy	157
América Móvil	159
Mobile Data Services in Latin America	159
Group Strategy	163
Current Business Model	163
Data Services Strategy	164
Go-to-Market strategy.....	165
Other MNO Strategies	166
Analysis of MNOs Revenue and ARPU figures	171
Impact of Data services on revenues and ARPUs	171
Summary and Conclusions	175
Business and Revenue Models	175
Drivers	175
Segmentation Strategies	176
Case Studies.....	177
Case Study 1: MNOs Perspective – mmO2.....	177
Big Brother.....	177
Marketing	178
Products and Services.....	179
Pricing and Revenue Model.....	179
Summary	180
Case Study 2: Content Owners - Walt Disney Internet Group.....	181
About Walt Disney Internet Group.....	181
Principal Revenue Streams	181
Distribution.....	182
Disney’s Wireless Content Deals.....	183
Revenue Sharing	185
Future Outlook.....	185
Case Study 3: Application Developer – SurfKitchen.....	187
About SurfKitchen.....	187
Position in the Value Chain.....	188
Revenue Model.....	188
Market Segmentation.....	189
Customers and Partners.....	191

Key Success Factors	192
Case Study 4: Enterprise Application - Vodafone Mobile Connect Card	194
Segmentation Strategy	194
Security	195
Business Benefits	195
Go-to-Market Strategy	195
Pricing	195
Customer Propositions and USP	197
Competitive Advantages	197
Customer Perspective	197
Summary	198
Case Study 5: Application Portal Failure - Iobox.....	199
About Iobox.....	199
Products and Services.....	199
Principal Revenue Streams	200
Principal Features.....	200
Failure of Iobox	200
Key Lessons	201
Conclusions and Recommendations	202
Market Summary	202
Introduction	202
Growth Inhibitors of Mobile Data Services	205
Future of Mobile Data Services	210
Strengths, Weaknesses, Opportunities and Threats in the Mobile Data Industry 2004 – 2010.....	221
The Road Ahead	225
Appendix 1	229
Glossary.....	230
Methodology	238
Bibliography	242
About the Authors	244
